

### *To The Nobles of Aleppo Temple:*

On December 16, 1931, there will be held in the Boston Garden a ball with music furnished by Walter Smith and our famous band of over 200 pieces. Tickets are \$1 each. As you all know, this is one of the largest and finest fraternal bands in the country. Walter Smith, the leader, is one of the greatest of trumpet players. Not only will those who attend the ball have the privilege of listening to an evening of music from the band, which in itself is worth more than the price of admission, but Walter Smith himself will entertain with several of his famous solos.

The purpose of the ball, in addition to providing an evening of genuine and wholesome entertainment to those who support it, is to raise funds to send our uniformed units to the Imperial Council meeting to be held at San Francisco, on July 26, 27 and 28, 1932. Aleppo Temple should be represented at this meeting.

The Imperial officers look to Aleppo Temple to have its uniformed members participate in the several parades and spectacular functions that make the pageantry of the Shrine conventions. Aleppo always makes a showing equal to the best, and by their conduct its representatives reflect credit to the organization.

Confident that the Nobles of Aleppo appreciate the faithful service, and the time and preparation that is spent to give that service, the uniformed units respectfully call your attention to their campaign to raise funds to make the trip to California. This is done in many other Temples with the approval and backing of their Nobility.

Nobles, we ask you to help us by selling a book or books of tickets to the Prosperity Ball, and in return offer you a compensating reward through an unequalled opportunity to combine your assistance to us and at the same time participate yourself in the generous and valuable gifts heretofore mentioned. These gifts are particularly appropriate for the Christmas season.

The campaign committee sincerely hope to receive your cordial support, which, you are assured, will be appreciated as an evidence of your good will and encouragement.

The Uniformed Units of Aleppo Temple by its duly  
authorized Committee.

FRED E. BOLTON,  
*Major of the Patrol*

WALTER W. SMITH,  
*Leader of the Drum Corps*

AD. LEDERHOS,  
*Director of the Degree Staff*
